LONG ISLAND NEW YORK REGION
 SPRING 2010 REGISTRATION

INTRODUCTION SKILLS FOR THE CREW LEADER

SIGN UP NOW - CLASS STARTS MARCH 1ST

The Construction Training Centers of New York State (CTCNYS), the education affiliate of Associated Builders & Contractors, Empire State Chapter, is accredited by the National Center for Construction Education and Research (NCCER), and is committed to advancing careers in construction through our craft, management and safety programs. (15 hrs)

This program teaches the knowledge and skills required for team leadership. Covers practical information about today's construction industry; basic leadership skills, safety responsibilities of a supervisor; and a detailed survey of project control techniques. It will also discuss principles of project planning, scheduling, estimating, management, and presents several case studies for student participation. (CL102)
